

Sitech Systems N.Z. Ltd

From 2018, Digital Technologies | Hangarau Matihiko will be strengthened in *The New Zealand Curriculum* and *Te Marautanga o Aotearoa*, starting at Year 1.

INTRODUCING

thymio

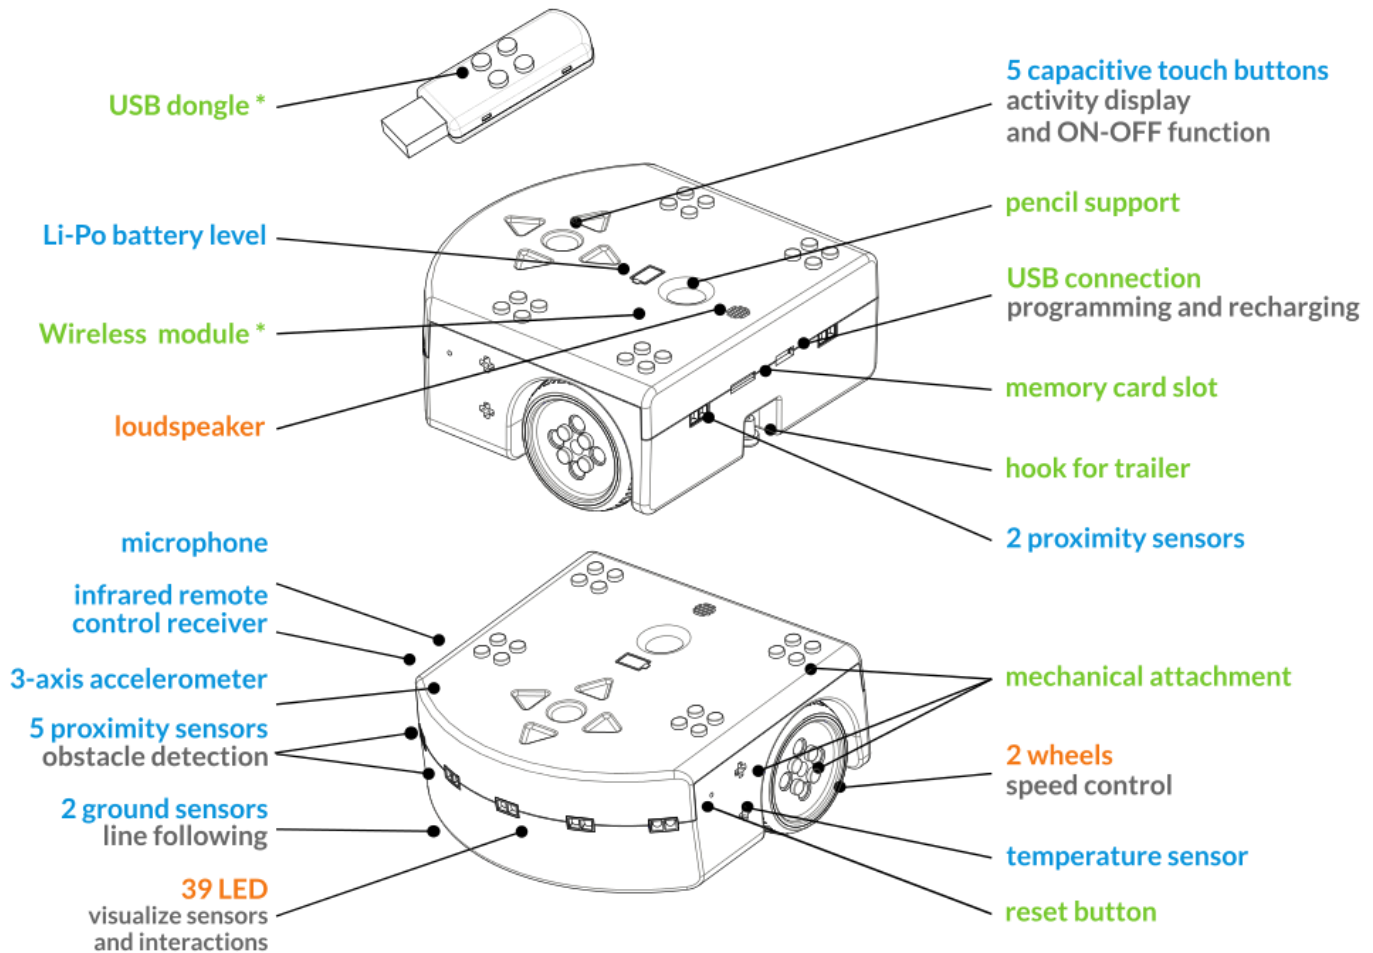

How about taming a robot?

Thymio is a small robot which will allow you to discover the universe of robotics and learn a robot's language. You will be able to program it and carry out numerous experiments. With Thymio, the basics of robotics and programming become notions everyone can discover, whatever their age.

Alone, with your friends or parents, program your robot so it becomes the hero of your adventures.

Visual program Learning | On-board built in programs | Blockly | text based coding | Lego Compatible

* available only with Wireless Thymio
